ACADEMIC PROJECT EXPERIENCE

Re-Recording Mixer, *The Kraken's Tooth*

September 2025 – December 2025

- Mixed and mastered in 5.1 surround sound and stereo for a student-led 4-minute short film animation, balancing all sound assets including dialogue, sound effects, ambience, and music.
- Worked closely with editorial and directorial departments to create an effective and story-driven final soundscape for the film.
- Rendered final mix and edit of film into a Digital Cinema Package (DCP) for film screening.

Dialog Recording, Sound Design for Games

September 2024 – October 2024

- Simulated a studio recording session collaborating with a team of 6 to record 24 lines of dialogue samples to use in a video game.
- Directed voice talents by coaching them through equipment use to produce the highest quality sound during recording.
- Recorded, edited, and mastered all voice and effort recordings utilizing professional software and equipment.

Angry Bots Redesign, Sound Design for Games

September 2024 – December 2024

- Directed sonic landscape for a 6-minute gameplay clip of "AngryBots."
- Developed and designed all original audio assets for the gameplay clip including SFX/foley, ambience, and dialogue.

ORGANIZATIONS

Audio Design Association, University of Texas at Dallas, *Marketing Coordinator*

September 2024 – Present

- Led beginner-friendly Pro Tools workshops teaching students the basics of navigating Pro Tools.
- Designed and edited graphics to post on social media promoting club events.

Women in Animation, University of Texas at Dallas, *President*

December 2024 – Present

- Delegated tasks to a team of 11 club officers to create and build a welcoming community.
- Collaborated with industry professionals for informational and networking events.
